Patient to complete

How to complete your admission registration online

To ensure your admission process runs smoothly we ask that you complete your admission details online without delay and at least 5 days prior to admission.

Your confidential information will be stored securely to ensure we are ready for your admission. If you need to be admitted to the hospital again in the future you can login through your account and update any information that may have changed.

Once you have completed your online registration you will receive a confirmation email.

Please confirm with your health fund you are covered for the admission or procedure, including any item numbers your doctor has listed.

Go to: sjog.org.au/myadmission or scan the QR code

The registration takes 15 to 45 minutes to complete, depending on your medical history.

To complete your admission registration you will need to have the following items on hand:

- Medicare card
- private health fund information
- current medication
- medical history

If you have a Medical and Legal Power of Attorney you can upload a copy to your admission registration.
